Attorney Brown explained the basis of this law which is to increase the opportunity for an individual to take advantage of agri-tourism. County Legislator David Knapp has been informed by Verizon that they have turned on DSL in Pompey Hill for residents in the 677 exchange and 182 families will be able to get it.

Tom Malagisi from Lamp Post Village has contacted Supervisor Marsh. He has suggested that it would be nice to have Santa go thru the tract neighborhoods on a horse drawn sleigh with Percheron horses. This can't be paid for with taxpayer funds. Supervisor Marsh will try to raise money from people to do this.

There was a lengthy discussion on the property located at 7364 Cherry Street owned by Don and Linda Chrysler. The Town Board received a report from Fred Hill dated September 7, 2016 and Councilor Herlihy has also discussed the matter and concerns with Code Enforcement Officer Hill. It is clear that this property is in eminent danger and safety to the public. Code Enforcement Officer is worried about kids getting inside. A public hearing was held on August 1<sup>st</sup>. Attorney Brown stated that he had talked to Fred Hill. That Fred Hill had tried to contact Don to get permission to go inside. Attorney Brown also stated that the Town Board was very clear at the August meeting on what Mr. Chrysler needed to do. That he has had a full month to get the Code Enforcement Officer to go over to the property. The Town Board made it very clear at the August meeting on what the Town Board was going to do. Supervisor Marsh asked Mr. Chrysler where the engineering report was that Mr. Chrysler stated on July 9<sup>th</sup> that he was going to get. Mr. Chrysler said he didn't get one. Mr. Chrysler doesn't feel that the building is in bad shape. He said that the foundation is perfect; that the additions are the weak points. The house does need new sheetrock and insulation. Mr. Chrysler stated that he has no money to work with. He supposedly is getting money from AIG due to his mother's death benefit. Councilor Herlihy suggested that the Town Board hold a Special Meeting on September 12, 2016 at 5 p.m. to give Mr. and Mrs. Chrysler additional time to get a plan together.
